SCOPE OF ISSUES EXPANDED IN "CALL-BACK"
PROCEEDING (Report CC-585, Common Carrier Action)

The Commission, on its own motion, has expanded the scope of the issues to be reconsidered as a result of AT&T's petition for reconsideration of three applications granted by the FCC to allow companies to resell international switched services of other carriers using a "call-back" configuration.

Action by the Commission September 2, 1994 by Order (FCC 94-227).
